EPE ECCE Europe Conference

AIMS OF THE CONFERENCE

The EPE ECCE Europe conference is the largest in its field, attracting experts from numerous countries every year to join in the discussions. With the objective to exchange and meet fellow professionals and academics, the EPE ECCE Europe conference brings together researchers, engineers, etc. working at the forefront of power electronics technologies. For this type of event, where the future role of power electronics in this ecological and technological revolution will be explored, the EPE ECCE Europe conference is one of the privileged places. EPE’22 ECCE Europe in Hannover will provide the opportunity to discuss a number of subjects, not only during the lecture and poster sessions of the conference but also at the exhibition, industrial forums and tutorials.

ORGANIZATION AND VENUE

The Power Electronics community will gather in Hannover, Germany, from 5 to 9 September 2022, to exchange views on research progresses and technological developments in the various topics described hereunder. On Monday 5 September a number of tutorials will be organised and other tutorials as well as several technical visits are planned on Friday 9 September.

The 24th Conference on Power Electronics and Applications (and Exhibition), EPE’22 ECCE (Energy Conversion Congress and Expo) Europe is co-sponsored by the EPE Association and IEEE PELS. It will take place at the Hannover Congress Centrum (HCC).

EPE’18 ECCE Europe, Riga – Exhibition and dialogue sessions
LIST OF TOPICS

On top of the tutorials, lecture and dialogue sessions and technical visits, the organizing committees will propose several discussion sessions within the industrial forums as well as special sessions of power electronics related trends.

In addition to the topics for paper submission, EPE’22 ECCE Europe at Hannover will highlight the following Focus Topics, not only in dedicated lecture and dialogue sessions of the conference but also in keynotes, the exhibition, panel discussions, tutorials and technical visits. Paper submissions in line with these Focus Topics are highly encouraged.

- New Power Electronic Devices
- Integration and Adverse Effects of WBT Devices
- Batteries in Power Electronics Application Focus Topics
- Electrification of On- and Off-Road Vehicles
- Electrification of Aircraft
- Electricity and Hydrogen based Energy Systems

The complete list of conference topics is published on our website: www.epe2022.com

Vendor Sessions

The exhibitors have the opportunity to highlight their latest developments and solutions at the Vendor Sessions. They present a unique and much appreciated venue for raising the company's profile and new developments, products and services. Each company has, included for free in their package, 1 vendor session either on Tuesday, Wednesday and Thursday in the Exhibition. The speaking time within the session is 15 minutes maximum, including questions. You will have the opportunity to show a PowerPoint presentation (10 minutes maximum).

Pay attention: the available time slots are limited and will be allocated on a first come first serve basis.

Application and Payment for Sponsorship and Exhibition

**Application**
Please complete the application form (pages 15-17) and return it to the Conference Secretariat as soon as possible or contact us by email to further discuss your requirements.

**Confirmation and Payment**
Every effort will be made to assign the requested space. However, the organization does not guarantee that the booth requested will be available and/or assigned. Assignments will be made only after receipt of the order form and the appropriate payment (100% of total amount payable upon receipt of the invoice).

Confirmation of your sponsorship and stand space will be mailed to you shortly after.

**VAT (TAX)**
All companies are required to pay VAT at the prevailing rate.

**Contract and Cancellation**
A contract will be sent after receipt of the application form. On demand, before the receipt of the application form, the EPE Secretariat will send a template of the contract including the cancellation policies.

**Insurance**
Companies participating in the Conference are required to take out an appropriate insurance (liability insurance), and to send a copy to the EPE Secretariat.

**Disclaimer**
As from the normal printing delays, in the summer period, the organisers cannot guarantee that the full visibility, as described in the packages will be available for bookings after 11 July 2022. The organisers will make all efforts to propose acceptable alternatives in case the normal service is not available anymore.
